A prayer for the Fourth

June freedom be seen, not as the right to do as we please, but as the opportunity to please to do what is right. June it ever be understood that our liberty is under God and can be found nowhere else.

June our faith be something that is not merely stamped upon our coins, but expressed in our lives...To the extent that America honors thee, wilt thou bless America, and keep her true as thou hast kept her free, and make her good as thou hast made her rich. Amen.
